SPECIAL ADVANTAGES OF THIS LOAN. It is a National Savings Bank, effering a bigner rate of interest than any other, and the best security. Any savings bank which pays its depositors in U.S. Notes, considers that it is paying in the best circulating medium of the country, and it connot pay in anything better, for its ewn assets are either in Government se-

with whom the deposit was made. No deductions for

commissions must be made from the deposits.

It is equally convenient as a temporary or permament avestment. The notes can always be sold for within a raction of their face and accumulated interest, and are the best security with banks as collaterals for dis-

curities or in notes or bonds payable in Government pa
